## **FEDERATION EMPLOYMENT & GUIDANCE SERVICE**

Federation Employment & Guidance Service (FEGS) is the largest private, non-profit comprehensive human service agency of its kind in the nation, serving over 50,000 persons a year. Established in 1934, a member agency of the Federation of Jewish Philanthropies of New York, FEGS' service delivery network is designed to enable each individual to develop a successful social, vocational and community adjustment while improving the stability and economic viability of our neighborhoods. The agency's Vocational, Educational, Treatment and Corporate Services Divisions provide a coordinated system of training, career development, employment, and rehabilitation and have served as consultants to business, industry, and government throughout the U.S. and abroad.

**Training Location:**  
114 Fifth Avenue, 10th Floor, New York, NY 10011 (212) 741-7012

## **LaGUARDIA COMMUNITY COLLEGE/CUNY**

Since opening in 1971, LaGuardia Community College has been meeting the educational needs of the adult population through a variety of program efforts. The Division of Continuing Education provides many of these adult learners with access to programs that include adult basic education, skills training, English-as-a Second Language as well as personal and professional development. Adults of all ages and backgrounds are served on and off-campus through courses, workshops, seminars, intensive programs and special events during day, evening and weekend hours. Over 7,000 students are currently enrolled in credit offerings and over 2,000 adults per quarter register for Continuing Education programs.
